by deleting all language after the enacting clause and by substituting instead the following language:

SECTION 1. As used in this act, unless the context otherwise requires:

(1) "TANF" means the federal Temporary Assistance to Needy Families program.

(2) "TANF assistance-type services" means the limited scope of activities and services that constitute assistance under federal laws and regulations governing TANF.

(3) "Unspent prior-year TANF funds" means unspent TANF block grant funds that exist from prior federal fiscal years 1998 and 1999, which are claimable by the state but have not been drawn down by the state.

SECTION 2. The general assembly finds the following:

(1) Substantial amounts of Temporary Assistance to Needy Families ("TANF") block grant funds exist from prior federal fiscal years 1998 and 1999, which are claimable by the state but have not been drawn down by the state.

(2) Under federal laws and regulations, the unspent prior-year TANF funds must be used solely for a limited scope of activities and services that constitute assistance.

(3) Under federal laws and regulations, current-year TANF funds may be used for a broader scope of activities and services permitted under TANF that may or may not constitute TANF assistance-type services.

(4) The amount of unspent prior-year TANF funds significantly exceeds the amount that reasonably needs to be reserved as a rainy-day fund for future unexpected program needs, such as the need to expand assistance to needy families with children in the event of an economic downturn.

(5) The state could accommodate new investments in preventive and remedial programs and services permitted under the goals of TANF.

(6) It is sound fiscal management policy to fund the relatively limited scope of TANF assistance-type services with unspent prior-year TANF funds, thereby freeing up the use of current-year TANF funds to support a broader scope of preventive and remedial programs and services permitted under TANF.

SECTION 3. No later than the time that the department of human services is required to file its TANF ACF-196 report with the U.S. Department of Health and Human Services, the commissioner of human services shall cause copies of such report in its proposed final form to be delivered to the speaker of the senate; the speaker of the house of representatives; the finance, ways and means committee of the senate; the finance, ways and means committee of the house of representatives; the general welfare, health and human resources committee of the senate; the health and human resources committee of the house of representatives; and the children and family affairs committee of the house of representatives. The commissioner shall promptly deliver copies in like manner of any revisions or updates made to any ACF-196 form filed with the U.S. Department of Health and Human Services.

SECTION 4. The department of human services shall fund TANF assistance-type services that it delivers with unspent prior-year TANF funds to the extent that such funds remain available for that purpose and to the extent that it is administratively feasible to do so.
